

Pamper for a Purpose

When Sun. August 28, 2011
Where Millennium Plaza Park, Lake Oswego
Time 3:00 - 6:00 p.m.

This grassroots event will raise awareness and desperately needed funds to stop genocide in Darfur and Congo. Volunteer practitioners will provide haircuts and other services for a \$20 suggested donation. Other businesses are donating products and services for cash donor prize awards.

Volunteers are signing up now: We have commitments from several hairdressers, manicurists, acupuncturists, and a chiropractor. Openings are available for more practitioners, including massage, hairdressers, estheticians and more!

Event Activities

On location speakers, music, and solar cooker demonstrations will show how women can lower their risk of being raped by staying in the refugee camps vs. going out to collect wood.

In the Congo, 4 women and girls are reportedly raped every 5 minutes! Others are killed. Don't stand idly by and let this happen.

Join us and let's do something to stop these atrocities against humanity!

How can you help?

- . Sign up to be a volunteer practitioner
- . Donate gift certificates for your products or services
- . Spread the word about this important event
